This comprehensive guide will walk you through every aspect of the takeout menu, from classic favorites to hidden gems, ordering tips, and customization options that make every meal feel personal.

Why Choose Panera Bread for Takeout?

Before diving into the specifics of the **Panera Bread take out menu**, it is worth understanding what sets this chain apart from other fast-casual options. Panera has built a reputation around clean eating, transparency in ingredients, and a commitment to food that feels wholesome. When you order takeout from Panera, you are not just getting a meal; you are getting food made with real butter, fresh produce, antibiotic-free chicken, and artisan bread baked daily. The takeout process itself is seamless, with online ordering, rapid pickup, and even delivery options available through the Panera app and third-party services. This combination of quality and convenience makes the takeout menu an ideal choice for those who refuse to compromise on taste or nutrition.

An Overview of the Panera Bread Take Out Menu

The **Panera Bread take out menu** is vast and varied, catering to breakfast, lunch, and dinner crowds with equal enthusiasm. The menu is organized into clear categories, making it easy to find exactly what you are craving. From hearty breakfast sandwiches and steel-cut oatmeal to signature salads, comforting soups, and the iconic sandwiches served on freshly baked bread, there is something for every palate. Panera also offers a range of beverages, from hot coffee and espresso drinks to cold brew, lemonades, and teas. For those with dietary restrictions, the menu includes clearly labeled vegetarian, vegan, and low-calorie options, ensuring that everyone can find a meal that fits their lifestyle.

Breakfast Takeout Options

The morning hours are a critical time for many, and Panera has designed its breakfast takeout menu to be both quick and satisfying. Popular choices include the **Asiago Cheese Bagel** with cream cheese, the **Avocado, Egg White & Spinach Breakfast Sandwich** on a sprouted grain bagel flat, and the hearty **Sausage, Egg & Cheese Breakfast Sandwich** on a toasted brioche roll. For those who prefer something lighter, the **Steel-Cut Oatmeal** topped with strawberries and pecans is a warm, fiber-rich option. Pair any breakfast item with a freshly brewed coffee or a cold brew for a complete morning meal that travels well and keeps you energized.

Signature Sandwiches and Paninis

At the heart of the **Panera Bread take out menu** lies an impressive selection of sandwiches and paninis. Each sandwich is built on Panera's legendary bread, baked fresh throughout the day. Standouts include the **Smokehouse BBQ Chicken Sandwich**, featuring smoked pulled chicken, tangy BBQ sauce, and crispy onions on toasted artisan ciabatta. The **Chipotle Chicken Avocado Melt** combines smoky chicken, melted provolone, and creamy avocado on a toasted artisan roll. For a classic choice, the **Turkey Sandwich** with fresh turkey, lettuce, tomato, and a drizzle of mayo on country bread never disappoints. The **French Onion Grilled Cheese** takes comfort food to a new level with caramelized onions and melted Swiss cheese on sourdough. Every sandwich holds up well for takeout, retaining its texture and flavor even after a short trip home.

Hearty Soups and Mac & Cheese

When the weather turns cool or you simply crave something warm and comforting, the soup and macaroni and cheese offerings on the **Panera Bread take out menu** are hard to beat. Panera is famous for its **Broccoli Cheddar Soup**, served in a freshly baked sourdough bread bowl or as a cup or bowl. The **Chicken Noodle Soup** is made with antibiotic-free chicken, fresh vegetables, and wide egg noodles, offering a classic remedy for any day. The **French Onion Soup**, topped with a crouton and melted provolone, is another customer favorite. For those who prefer pasta, the **Mac & Cheese**, made with a blend of cheddar and pecorino cheeses, is creamy, rich, and available in regular or extra-cheesy versions. These items travel exceptionally well, staying hot and delicious when packed properly for takeout.

Fresh Salads for Takeout

Salads are a cornerstone of the **Panera Bread take out menu**, and they are designed to stay crisp and fresh even when ordered to go. The **Green Goddess Cobb Salad** features antibiotic-free chicken, bacon, hard-boiled eggs, tomatoes, and avocado with green goddess dressing. The **Strawberry Poppyseed Salad** combines fresh strawberries, blueberries, mandarin oranges, and feta cheese on a bed of mixed greens. For a heartier option, the **Asian Sesame Salad** offers chicken, almonds, cilantro, and crispy wonton strips with an addictive sesame vinaigrette. All salads come with dressing on the side when ordered for takeout, allowing you to add it just before eating to maintain maximum freshness. You can also choose to have your salad delivered as a half portion with a cup of soup, making a balanced and satisfying meal.

Flatbread Pizzas

A relatively recent addition to the **Panera Bread take out menu** is the selection of flatbread pizzas. These thin-crust pizzas are baked fresh and topped with high-quality ingredients. The **Margherita Flatbread** features vine-ripened tomatoes, fresh mozzarella, and basil. The **Chipotle Chicken & Bacon Flatbread**

offers a spicy kick with smoked chicken, bacon, and a chipotle sauce. The **Pesto Chicken & Mozzarella Flatbread** combines basil pesto with chicken and melted cheese. Flatbread pizzas are cut into squares for easy sharing and hold up remarkably well for takeout, making them a popular choice for dinner on the go or a quick family meal.

Customizing Your Order from the Panera Bread Take Out Menu

One of the greatest strengths of the **Panera Bread take out menu** is the ability to customize nearly every item to suit your preferences. When ordering online through the Panera app or website, you can easily modify ingredients. Want a breakfast sandwich on a different bread? No problem. Prefer your salad without onions or with extra avocado? It is just a click away. For those with specific dietary needs, Panera provides detailed nutrition information and clearly marks vegetarian, vegan, and high-protein options. You can also request that dressings and sauces be packed on the side, which helps keep sandwiches and salads from becoming soggy during transit. Customization extends to beverages as well, with options to adjust sweetness levels in lemonades and teas, or to choose the type of milk for coffee drinks.

Beverages and Sides to Complete Your Meal

No exploration of the **Panera Bread take out menu** is complete without considering the drinks and sides that round out the experience. Panera offers a wide array of beverages, including its famous **Charged Lemonades** in flavors like Strawberry Mint, Mango Yuzu Citrus, and Fuji Apple Cranberry, which provide a caffeine boost from green coffee extract. The **Hot Coffee** is made with 100% Arabica beans and is freshly brewed throughout the day. For sides, the options include **French Baguette**, **Apple**, **Kettle-cooked Potato Chips**, or a **Chocolate Chip Cookie**. These small additions make a meal feel complete and are easy to add to any takeout order.

Catering and Large Orders

For those planning a gathering, the **Panera Bread take out menu** extends into catering options that make feeding a crowd effortless. You can order boxed lunches that include a sandwich or salad, a side, and a cookie, all neatly packaged for delivery or pickup. Catering platters feature sandwiches cut into quarters, large salads, and soups served in bulk containers. The **Bundles for Groups** are particularly popular for office meetings, family reunions, or any event where you need variety. Panera's catering takeout service is reliable and includes clear labeling of ingredients, making it easy to accommodate different dietary needs within a single order.

How to Order from the Panera Bread Take Out Menu

Ordering from the **Panera Bread take out menu** is straightforward and can be done through multiple channels. The most convenient method is using the Panera app, which allows you to browse the full menu, customize items, save favorite orders, and pay in advance. You can choose a specific pickup time, and your order will be ready when you arrive. Many locations also offer curbside pickup, where you simply park in a designated spot, tap "I'm here" in the app, and a staff member brings your order to your car. For those who prefer to order by phone or in person at the counter, that option remains available as well. Third-party delivery services like DoorDash and Uber Eats also carry the Panera takeout menu, though availability varies by location.

Tips for a Smooth Takeout Experience

To get the most out of the **Panera Bread take out menu**, a few practical tips can make your experience even better. First, always double-check your order before completing it on the app, especially if you have made multiple customizations. Second, if you are picking up during peak hours such as lunch or dinner rush, allow an extra few minutes and use the curbside option to save time. Third, consider the travel time when selecting items. For example, salads with dressing on the side and sandwiches that are not overly saucy tend to fare best on longer trips. Finally, take advantage of the MyPanera rewards program, which offers free items and exclusive deals that can be applied to takeout orders. Loyalty members also receive birthday treats and surprise rewards throughout the year.

Nutritional Highlights and Dietary Options

Health-conscious diners will appreciate the transparency of the **Panera Bread take out menu**. Panera was one of the first chains to post calorie counts on menus and has committed to removing artificial additives. The **You Pick Two** option is a great way to control portions by pairing a half sandwich, half salad, or cup of soup. For low-carb eaters, many sandwiches can be ordered as a lettuce wrap or in a bowl without bread. Vegetarian options abound, including the **Mediterranean Veggie Sandwich**, **Ten Vegetable Soup**, and the **Caprese Sandwich**. Vegan diners can enjoy items like the **Spicy Thai Salad** without chicken, the **Black Bean Soup**, or the **Baja Bowl** with plant-based protein. Panera also offers a seasonal **Autumn Squash Soup** and a **Turkey Chili** that are both hearty and nutritious.

Value and Deals on the Takeout Menu

Many customers wonder how to get the best value from the **Panera Bread take out menu**. The aforementioned You Pick Two combination is one of the most cost-effective ways to enjoy a varied meal. Panera also runs frequent promotions, such as the **Unlimited Sip Club** which gives subscribers free beverages for a monthly fee, including with takeout orders. Seasonal limited-time offers, bundled deals, and the aforementioned loyalty rewards all contribute to making Panera a great value for the quality of food you receive. Checking the
